LAUW
LONDON AUSTRALIA UNDERWRITING

IMPORTANT NOTICES

Pursuant to the provisions of the Insurance Contracts Act 1984 (Cth), Underwriters are required to notify you of the following relevant information.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

It should be noted that this duty continues until the Policy is entered into with Underwriters, and extends to any renewal, reinstatement, variation or extension to the Policy.

Non-Disclosure

Underwriters may be entitled to either reduce their liability under the contract in respect of a Claim, cancel the contract or avoid the contract from its beginning in accordance with the provisions of the Insurance Contract Act 1984 (Cth) if you fail to comply with your duty of disclosure.

Claims Made

This is a "claims made" policy of insurance, which means that it only covers claims made against an insured and notified to Underwriters during the period of insurance. By operation of Section 40(3) of the Insurance Contracts Act 1984 (Cth), where the insured gives notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of the insurance cover provided by the contract.

Retroactive Liability

The policy may be limited by a retroactive date stated in the schedule. The policy does not provide cover in relation to any claim arising from any actual or alleged act, error, omission or conduct that occurs before the commencement of the policy, unless retroactive liability cover is extended by Underwriters.

Liability Assumed Under Agreement

Cover provided by this form of liability insurance does not cover liability which you have agreed to accept unless you would have been so liable in the absence of such agreement.

Utmost Good Faith

In accordance with Section 13 of the Insurance Contracts Act 1984 (Cth), the policy of insurance is based on utmost good faith requiring Underwriter(s) and the proposer / insured(s) to act towards each other with the utmost good faith in respect of any matter relating to the insurance contract.
